**Pacific HS Graduation June 10**

## Congratulations Graduates by Evan Kramer

This Friday evening, June 10, marks the culmination of their education at Pacific High School for 30 very fine young people. The Class of 1994 proceeds with its commencement exercises at 8:00pm in the high school gymnasium that evening. The senior class has a river raft ride scheduled during the day and more fun scheduled afterward as part of Project Graduation which is a drug and alcohol free all night party. Nearly three quarters of the seniors will go on to a 2 or 4 year college, while one will go into the military and a quarter of them will go into the job market. The graduates going on to college will study at several colleges including Southwestern Oregon Community College, Wyoming Tech, Linn Benton Community College, Umpqua Community College, Lane Community College, Souther Oregon State College, Oregon State University, University of Oregon Honors College, Oregon Institute of Technology, Northwest College, Pacific University and George Fox College.

I know there are many proud parents, other relatives and friends eager to see the graduates walk to the podium and receive their diplomas.

### Council Hires New City Manager

Mayor Kennedy called me on Monday with the news that the Port Orford City Council had made up its mind and se-

lected Dorothy Myers as its new city manager. Myers will replace Dean Madison whose contract with the city ended on May 27. Jim Gray has been serving as interim city manager and will continue until Myers starts her new job. Delaine told me Myers would start around July 1, just in time for the City's big Fourth Of July Jubilee celebration. Myers is from Shady Cove.

The city council had received applications from over 40 people for the position of city manager and interviewed six of them. Dorothy Myers made a very strong impression on the people who attended the council meeting where she was interviewed and an equally good impression on the city council. Congratulations to our new city manager!

## Falcon Cable Adds Fox Network

There is good news for Falcon Cable television subscribers in the Port Orford area. The local cable company will add the Fox Network to its basic channel selection package on June 20. Subscribers to Falcon cable have been requesting Fox be added to the basic package for several years. Pressure really increased when Rupert Murdoch's "Fourth Network" won the right to televise N.F.L. games starting this year when it outbid C.B.S. Fox Network has several popular half hour shows including The Simpson's, Married With Children, Beverly Hills 90210 and Melrose Place, all available in your living room on June 20.

**Flying Club Anyone?  
by Clayton Lyons**

For private and commercial pilots and aviation enthusiasts. Possibility of forming a flying club in or near Port Orford or the Cape Blanco State Airport. EAA experimental home builder aircraft could and should be encouraged and it's a beautiful runway for initial test flight. A joint venture small but expandable T hanger would be a very beneficial project. There is a commercial operation being studied at Cape Blanco starting with one charter airplane, one rental car at Cape Blanco and one taxicab in Port Orford and a hanger at the airport to accommodate the charter service and there's more to this to come later. Create enough activity at Cape Blanco and perhaps we can save that \$6,000,000 runway from going back to the jungle. This intent is to start a meaningful conversation and if anyone is interested in the foregoing, contact Clayton Lyons EAA member number 11161, commercial and instrument pilot with single and multi-engine land rating pilot license number 130937, 1800 hours civilian, and 7000 military, P40's, P47's, P51's, B26, C54 (Douglas DC4) and Boeing B47 six engine jet bomber. **Lion's Convention**

On May 19-22, Leo President Noele Compton and journalist Dawna Coplin went to Portland for a Lion's convention. Their advisor Roxanne Compton and two other Lions, Dottie and Jim Crown, also went. They left Port Orford on May 19 around 9:00am. They took the scenic route going through California. Jim acted as a guide driving us and educating us on the things they saw on the way. At approximately 6:30pm, they arrived in Albany where they stayed for the night. Later they went to the Recreation Station where some of them played miniature golf while others rode the Orbitron which was quite a ride. The next day they left Albany for Portland.

Once in Portland, they met the other Leos and advisors. They also met a group of Lions members. They attended the Leo's forum where they listened to, and spoke about, the plans for the club.

The first day was for people to get to know each other. If you know Noele, you should ask her about her three plates of food for dinner. It's a funny story!

May 21 was a busy day. Noele made a speech in front of everyone at the convention. She was scared, but did well. They were also invited to the Dever's Eye Clinic. The experts there explained about cornea transplants. Some also did a good deed and donated their eyes when they die to people who need them.

When they got back, they went swimming with all the other Leos. It was a long day and to top it off there was a dinner that was very dressy. (Ask Roxanne about the YMCA. Also another very funny story!)

Although the trip was tiring, it was fun. The two Leos can't wait to go next year. They also hope that all the other Leos can attend. They would enjoy it greatly.

**Local Dancers to Present Spring Showcase**

Coos Bay — Over 100 South Coast dance students, ages 3 to adult, will perform in a two-night celebration of dance sponsored by Pacific Dance Spectrum of Coos Bay. This year's spring showcase encompasses two different productions — a jazz, tap, and creative dance show on Friday, June 10, and a story ballet on Saturday, June 11. Both productions will take place at 7 PM in the Marshfield High School auditorium, 7th Street and Ingersoll Avenue in Coos Bay.

The June 10 jazz/tap/creative dance performance will be a showcase of different styles in these idioms, including lyrical jazz, fund, and jazz/modern, as well as tap. A narrator will explain the differences between the various jazz dance styles. The school's youngest dancers, ages 3 to 5, will perform in the creative dance section of the evening.

"Ballet Classique," June 11, is a story woven through the performances of the school's many ballet divisions, and focuses on dance as a lifetime activity. The show opens with a barre sequence and adagio by the school's adult ballet students, and then several of these remain on stage throughout the evening to narrate and share their experiences of dance throughout their lifetimes. Dancers age 4 and up, including the boys' and pointe classes, will perform in "Ballet Classique."

Advance sale tickets, priced at \$4.00 for adults and \$2.00 for children age 12 and under, are available at Pacific Dance Spectrum, 201 Central Avenue (Mall block #2), Coos Bay, or phone 269-7163. Tickets will be available at the door for \$5.00, adults, and \$2.50, children 12 and under.

**Jubilee Auction A Success**

The Jubilee auction to raise funds for the Fourth of July fireworks display was held last Saturday evening in Port Orford. The auction was very well attended, and bidding was competitive and lively. Many items contributed by local merchants and others in the community were auctioned off to satisfied bidders. Happy bidders were seen leaving the Community Building with arm loads of treasures, including some that had to be pushed and carried out such as a portable dishwasher and an oak desk.

The Jubilee Committee said over \$2300 was raised at the auction. This will be used toward the purchase of fireworks and other Jubilee expenses.

There are still opportunities for those who want to contribute toward the Jubilee. Pins may be purchased at many stores about town, and fireworks will be available for purchase from the Committee before and during the Jubilee. To make a donation contact Viola Cuatt at 332-352 or drop by to see her at the Port Orford Liquor Store.

The Committee wants to thank all those who worked on the auction, those who generously donated items, and those who attended and bought items. Also thank you to those who made cash donations. It is community spirit like this that makes Port Orford a good place to live.

### Bereavement Support Group

Curry County Home Health Agency continues to provide a Bereavement Support Program available to all residents of Curry County.

The Social Work staff provides the following services: personal contact and counseling, literature on coping with grief and loss, and a monthly bereavement support group and newsletter.

The Bereavement Support Program is open to anyone who has experienced the loss of a spouse, child, relative, partner or friend.

The support group has been available in Port Orford on the third Tuesday of each month since January, 1994. The June 15 meeting will be the last one due to low participation. We encourage Port Orford and Langlois residents to join us at the Gold Beach meetings. If you do not wish to join a group, please call for an individual meeting with our social work staff.

For more information or to be put on the Bereavement mailing list, please call Luana Berens, MSW, at 247-7084, 469-0504 or 1-800-535-9472.

The June 15 meeting in Port Orford will be held at the Wheelhouse Restaurant, at noon.

Be a Model, or Just Sip Herbal Elixirs Like One Designer bottled water may have been replaced as the super-model's drink of choice. Cindy Crawford, Naomi Campbell and Karen Mulder are now carting around a health elixir called Sunrider Fortune Delight, which is packed with extracts of camellia, jasmine, chrysanthemum and lalang grass. Delivered to them from Susan Ciminelli Day Spa in New York City, the drink comes in powdered form to be mixed with water. Sunrider claims that it keeps the skin clear and the system clean and is based on a "philosophy of regeneration...more relevant today than at any other time in the history of the world" (call (800) 303-5255 or Whole Foods at (212) 874-4000; a 42-packet box costs \$30). Meanwhile, in Ventura, California, the husband and wife L.A. Models team of Lizanne Falsetto and Garrett Jennings makes and distributes Power Punch - a liquid concoction that contains, among other ingredients, wheat grass, American and Chinese herbs, rose hips, caffeine and royal jelly (call (800) 643-2057; a box of 30 is \$21.95). Says Falsetto, who offers the drink to her model friends wholesale: "You need energy to get through a hectic schedule. Going to the gym is just part of what it takes."

### Fish Free On Saturday

In honor of national Fishing Week, Saturday, June 11, has been designated Free Fishing Day. No license or tags are required to fish on that day. All other angling rules apply. USDA Forest Service and USDI BLM campgrounds are also open for free camping June 10 and June 11.

Western Mercantile and Automotive will offer all tackle at 20% off of regular prices and night crawlers for \$1.00 per dozen to help celebrate Free Fishing Day. Local fishermen have reported to WMA catches which have included some good sized trout out of Garrison Lake, perch at Paradise Point and ling and black cod off of the jetty. Ternule Lake has given up some nice bass.

Remember the old adage, "Work is for those who don't know how to fish!" Enjoy!

## Fifth-Grade Class Quilt Raffle

Ron Smith's fifth-grade class at Riley Creek School has completed an 82-inch-by-90-inch multi-colored quilt which they plan to raffle to benefit Curry General Hospital's "Fill Curry's Heart" fund.

A six-month project, the quilt is the handiwork of all 31 pupils, according to Smith's wife, Laura, a volunteer coordinator.

"The kids cut out the squares, sewed them together and tied the quilt with the help of Roberta Crumley and Bobbie Boice," Laura Smith added. Christian Help donated the sewing machine. The quilt's batting and backing were donated by the Sew Urchin. The youngsters' moms and dads, along with Lorraine Hensley, donated much of the material.

After 40 minutes of discussion about where to donate the raffle proceeds, the class chose the hospital fund. "I think they realize that they will all benefit from the hospital's services in one way or another during their lifetime," Smith said.

The quilt can be viewed in the dining room at Curry General Hospital. Raffle tickets are \$1 each and can be purchased

## Port Awarded Grant Funds

The Port of Port Orford recently received notice from the Department of Land Conservation and Development that the request for 306A grant funds was awarded in the amount of \$7,725. The grant will be used to pave and landscape the area known as the "Boneyard" and funds allocated by the City Bed Tax Committee, and funds budgeted by the Port will be used to match this award to complete the project. The funds will be available in July of this year and we hope to have the project completed before the end of the year.

## Audubon Annual Meeting

Kalmiopsis Audubon Society is holding its annual membership meeting and pot-luck dinner June 10th. The meeting includes the election of officers and reports on the activities of the Society during the last year.

The meeting, which is always a lot of fun, will include a slide show by Jim Nelson. Jim has been district silviculturist for the Powers Ranger District of the National Forest Service for 15 years. He will show slides and talk about management of Port Orford Cedar in the National Forests. The tree, which grows only in this part of Oregon, has been beset with problems in recent decades. It is a beautiful tree much prized for its wood, both here and in Japan.

The dinner and meeting will be held in the Pistol River Friendship Hall, and is scheduled to begin at 6:00pm. For more information call Basil Andrews at 332-4625.

## Recycling Finale

To finish their recycling project, the Driftwood Fourth Graders will be selling worms for vermicomposting and worm castings as fertilizer for house plants. Worms will be \$1.00 for 100 worms. Fertilizer sells at \$1.00 for 250 grams. Stop by the office at Driftwood if you need some power for your plants. A fourth grader will be glad to explain how to use the worms or the fertilizer.

## Oregon Health Plan

The next Oregon Health Plan information session in Port Orford is scheduled for Tuesday, June 21, at 2:30pm in the city council chambers. This session will provide information for anyone interested in learning more about the Oregon Health Plan. An Out Reach Representative will be present to explain the Health Plan, hand out applications and assist people in filling them out.

Those interested in applying should bring:

Proof of income for the current month (check, stubs, letters, etc.)

Social Security card for all applicants

Proof of legal status

Proof of pregnancy and due date from medical provider

Health insurance information if any family member has insurance

Names of everyone living in your household. This may include friends, roommates, relatives, and children over 18. These individuals will not impact your eligibility, but must be included in the application

### More Government Interference

Somewhere along the way, Highway 101 officially was designated a scenic highway by the State of Oregon. Everyone who traveled knew about the beautiful views and vistas well before the State told us it was so. They put into effect new rules governing signs along the Highway effective June 1, 1993. A business in Langlois on Floras Lake Loop Rd. Called Sweet Annie's Nursery got caught up in the new regulations. They had a sign on an adjoining neighbor's property which abuts 101 but were forced to take it down because of the new prohibition on signs. However, if they owned the property along 101 they could have kept the sign up. Fortunately, the Department of Transportation saw fit to enact the grandfather clause on currently existing signs. Plainly and simply the Nursery needs a sign along the Highway to tell people traveling by at 55mph or faster that they exist, even if only a small one. Curry County allows for 3' by 3' signs along country roads. Our state transportation planners want to make sure the scenic highway is so pristine you'll just drive right on by on your way to British Columbia. How in
