How Politicians See The Public

## Fast Food by Evan Kramer

What do auto racing and food have in common? I'm not talking about road kill stew either. This coming Labor Day Weekend which falls on Saturday, Sunday and Monday, September 2, 3, 4, the Port Orford Chamber of Commerce is CO-sponsoring auto racing at Cape Blanco State Airport. This is the third year the Chamber and Team Continental have joined forces to hold the Port Orford Grand Prix at the airport.

One of the popular events offered to the public from last year's racing event was the Driver's Training. Because of its popularity it will be held again this year. You can reserve you space now for race-prepared or street cars by calling Howard Allen with Team Continental at 503-246-4852. Driver's Training will be held on Friday, September 1.

What does all this have to do with food. Every year several private citizens and community groups set up food booths at the races. This year the Chamber is once again soliciting for food concessions. The Chamber race committee has set a list of priorities for who will be selected:

1. Persons or organizations who ran a booth at last year's auto races
2. Businesses or individuals who belong to the Port Orford Chamber of Commerce

3. Local non-profit organizations
4. Other people or for profit groups

The 1995 Port Orford Chamber Labor Day race concession applications are now available at the Chamber office located at Battle Rock Park and the Port and Starboard Restaurant. They must be returned to the Chamber office or race concession chairman Frank Smith at Port and Starboard no later than 10:00am, August 14.

Some of the things you must provide the race concession chairman are a copy of the county health permit application prior to the deadline for submission, an agreement to participate all three days of the racing, provide 30 gallons of drinking water with dispensing cups and provide trash receptacles. A \$50.00 deposit is required with the form with \$25 refundable if the area is cleaned and trash disposed of on a daily basis. There are two areas where food will be served. One is in the pit area amongst the racers and their cars and the other is by the bleachers.

## Bed Tax Committee

The City of Port Orford Bed Tax committee will hold its first public hearing on Tuesday, September 5, at 7:00pm in the council chambers. The time has passed for organizations to submit their requests for the bed tax which is accrued through a 6% tax collected by motel operators

and bed and breakfasts. Interestingly in our recent travels around the country we found Port Orford's 6% rate to be about the lowest. Many cities like San Francisco are at 10% and above. What a wonderful way to greet the traveling public. I like Valerie's reference to bed tax as taxation without representation. Certainly the people paying it in the vast majority are long gone when the booty is divided up. I was told that 8 non-profit organizations have applied for the 8 - 10 thousand dollars available bed tax funds.

## Public Meetings and Events

Humbog Mountain State Park presents Tim Flake in two programs. On August 4 he talks about the pre-settler history of Port Orford and on August 5 he talks about the post-settler history of Port Orford. The programs start at 7:30pm and are held at the amphitheater in the park.

Port Orford Rural Fire District board of directors holds its monthly meeting on Tuesday, August 8, at 7:00pm, at the city fire station on the mezzanine level.

Port Orford/Langlois 2CJ school district board meets on Tuesday, August 8, at 8:00pm, in the library room at Pacific High School.

Port Orford Planning Commission - Special Meeting, Thu., Aug. 10 7:00pm at the City Hall council chambers to deal with Bussman Subdivision Application.

### Port Orford Goes To The Fair

Port Orford was well represented at the Curry County Fair this year. In the Docia Sweet Hall there were many ribbons to be brought home to Port Orford. Kathy Jamieson-Hazard entered in many categories and took a lot of prizes, including first and second for her two entries of eggs. She had entries in many of the buildings, everything from plants and flowers to a beautiful pig over in livestock. She must have gone home with a pile of blue ribbons.

Betty Tope received many blue ribbons for her knitting and quilting, and three best of show. Bruce Yocum took first,

second and third place for his paintings and sketches. Many local artists entered and won prizes.

Community booths were located in Docia Sweet Hall this year. The Point Orford Heritage Society in cooperation with the Port Orford Chamber of Commerce, City of Port Orford and Port of Port Orford produced the Port Orford fair booth. Local residents and merchants were again generous, to the point that there were more items offered than could be safely exhibited. Hannelore and Hans von Spaeth did all the work, including a great sketch of the ocean by Hans, which was used as a backdrop for the booth.

The booth showed a scene of the Port Orford dock stacked with locally produced items ready for shipments out just as they were exported in the past. Displayed were wonderful glass floats which can be found on our beaches, and a much admired kelp basket. Old milk cans and bottles were in keeping with the Fair's theme of "Memories Alive in 95", as was the lumber that was once shipped in great quantities from the Port. The people of Port Orford produce many wonderful items and the area has great natural resources. The booth portrayed this bounty.

### Senior News

First - Sat the 29th there was a pot luck lunch. Did it ever turn out nice. The food was great and a good crowd. It was just like a big family get together, but that's not all - these men were in the kitchen doing the dishes: Jim Galford, Henry Kron, Leo Welsh and RH. Norma Ellis and Mildred Welsh were the ladies who got the lunch together and Betty Harper,

Kay Neal, Beth Newkirk were in there helping out. This only happens on the 5th Sat. of the month. So watch the calendar, we will have another one. On Aug. 6th is the birthday party from 2 to 4. Aug. 9th is the Board Meeting at 1 pm. Aug. 13th is Sunday Breakfast - come meet your friends.

Count your garden by the flowers,  
never by the leaves that fall.  
Count your days by golden hours,  
don't remember clouds at all,  
Count your nights by stars, not shadows.  
Count your years with smiles, not tears.  
Count your blessings, not your troubles.  
Count your age by friends not years.

Mary Yoder  
President

"The first thing I notice about a man is  
whether George is around."

## Mobile Mammography

Curry General Hospital's mobile mammography unit will make its monthly visit to Curry Family Medical clinic in Port Orford, Wednesday, August 9.

The American Cancer Society recommends a first-time mammogram for most women by age 40. Mammograms are recommended every one to two years for women 40 to 49, and annually for women 50 and older. Those 60 and older should be especially aware of the importance of early detection because they are at increased risk for developing breast cancer, Kathy Comer, Curry Breast Health Network coordinator, says.

Regular screening by mammography, and clinical and self-breast examination clearly saves lives, Comer says. "If we can reach women not currently receiving these services, deaths from breast cancer can be reduced."

Inability to pay should not be a concern to Curry County women, according to Comer. The Curry Breast Health Network works with Brookings and Gold Beach Soroptimists to provide low-cost mammograms. Additionally, the Texas-based Susan G. Komen Foundation has also offered to provide free mammograms to eligible patients.

Besides scheduling visits in Port Orford, patients can schedule mammograms throughout the month at Curry General Hospital in Gold Beach.

To make an appointment in Port Orford or inquire about eligibility requirements for a free mammogram, phone (503) 332-3861.

To make an appointment in Gold Beach, phone Curry General Hospital at 1-800-445-8085, or (503)247-6621, ext. 116.

Swim Bus

The second session of swimming lessons will be held August 7th thru August 20th. There is still room on the bus if you are interested. The bus schedule is as follows:

	Leave	Return
Driftwood	9:00	12:40
Blanco	9:15	12:25
Laurel Grove	9:25	12:15

The bus will be following an exact schedule. Parents need to have their children at their departure site before the bus is scheduled to leave, and be available to pick them up upon their return. Children should bring their own towel and a lunch for the ride home.

Applications can be picked up at the Children's Center in Port Orford. The fee is \$35 per student. If you have any questions call Julie Ells at 332-0327.

A Drain On You

© 1995 by Marlene Gay

You plugged my eye and filled  
the bath...

Stole my view of the ceiling...  
you osteopath!

You wanted to soak and relieve  
your pain...

But did you consider ME  
your blinded drain?

I could hear the water and  
feel its weight...

Vengeance is mine...I predict  
an ill fate.

Soaking amid suds you were  
not aware

Of my plan to steal back...  
my circular stare.

You entered the sudsy water  
feeling some pain...

But I promise you much more  
"sucked-down" a drain!

## Grange Meets

The Curry County Pomona Grange will meet on Saturday, August 5, at 10:30am at the Sixes Grange Hall next to the Sixes Store. A pot-luck dinner will be served at noon. All Grange members are invited.

## Internet News

Internet addresses are everywhere - in TV shows, ads, magazines, and books. The Internet is a fantastic research and news resource on any topic and a LOT of fun to use. Unfortunately, access for Port Orford/Langlois residents has been expensive. In addition to the Internet costs, we have to pay a long distance phone call which costs about \$5.00/hour or more.

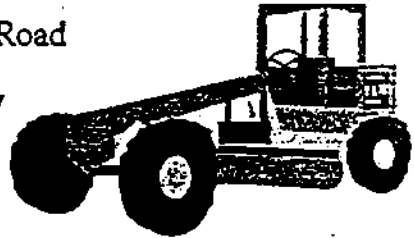

Local Internet access is now available in Brookings and Gold Beach thanks to the company @harborside. They want to offer local access to Port Orford and Langlois but need to be certain of local support before they invest in expensive equipment and phone lines. If you would like to have local Internet access, now is the time to sign up and make it happen!

The Downtown Fun Zone has agreed to collect applications and checks (or credit card numbers) for Internet service. We will hold them undeposited. When we have 40 or more people signed up, @harborside will install a local Internet site. Once service is available, we will turn the funds over for them to deposit.

@harborside offers several service plans. On one popular plan you pay a flat rate of \$20 per month and 0-40¢ per hour depending on the time of day.

Email-only users may prefer the FA10 plan which costs \$12.50 per month for 10 hours of connect time. Additional hours cost \$1.00 per hour.

**Planning Commission Meets  
by Evan Kramer**

The Port Orford Planning Commission met on Tuesday, August 1. Chairperson Viola Cuatt gavelled the meeting open at 7:00pm. The commission was greeted by a large audience and proceeded with two important pieces of business.

The commission first took up the issue of the Brueske Gold Run Creek subdivision phase 1. Several large maps of the sub-

division were displayed and showed a subdivision with 14 lots. The commission heard from the Brueske's attorney Jerry Lesan who spoke about the subdivision and was attempting to get final approval for the plan. City-hired geologist John Logan gave a lengthy report on the Brueske property and also showed a video he had made of the land. He recommended that a geologic risk assessment be done first before approving the  
**Continued in this issue**

## Calli

Calli is a formula from the Shao Lin Temple Priests of China. Along with modern technology, only food grade herbs, fruits and vegetables which are each concentrated and enhanced are put into fine powders. While still damp, the powdered formula is sprayed or bonded onto "carrier camellia leaves." One bag makes 2-4 cups. The perfect drink for morning, noon, and night. Now in three new scrumptious flavors! "Green Tea" at its best!

subdivision. He said the property was composed of sandstone and shales which are susceptible to weathering and slumping and he saw no hard rock in the area. He said there was much subsurface water evident and that a couple of the culverts were fed by springs. The video Logan showed displayed erosion on some of the lots and on a paved road. Ellen Warring made a motion that a geologic risk assessment report be done by the property owner at his expense. Alan Mitchell seconded the motion which passed. Attorney Lesan challenged the vote on the grounds that the evidence the commission was using from Mr. Logan had not

been provided to him and that by law he was to receive it 7 days before the meeting. City lawyer Carol Cyphers concurred with Lesan. A motion was passed to rescind Warring's motion. The meeting will be continued on Tuesday, Sept. 5, at 7:00pm, in the council chambers.

At 8:45pm the commission took up what was referred to as the "Bussmann issue". This matter dealt with the Bussmann application for the proposed Doer Creek subdivision on their property located above the city reservoir. Their application will be heard by the Curry Planning Commission on Thursday, September 7, at the county annex building in Gold Beach. City planning director Norma

House read a memo from city watershed attorney Frank Hilton saying that all steps are being taken to protect the watershed in the North Fork of Hubbard Creek including retaining geologist John Logan and the engineering firm of H.G.E. and that the city needed to insure there would be no septic system failures. Hilton suggested that the planning commission make no recommendations on the subdivision until these reports are in.

John Logan's report is due by August 10. The planning commission will hold a special meeting the night of August 10, at 7:00pm in the council chambers. It will be open to the public and their input will be allowed.

## Children's Center

This week the children have ventured back in time to the wild west era. We are learning about cowboys, horses and the way things were in the wild west. The children are making hats, vests and stick horses. Our children are anticipating a special visitor on Friday. A horse will be brought to the center for all the children to see. The children will also get to have a ride on the horse after learning all about their special visitor.

Our next stop will be outer space. It is not too late to sign your child up. We still have one month of summer left. We are opened Monday - Friday from 7 am to 6:30 pm. We accept children aged 30 months to 13 years regardless of sex, race or religion. We are a non-profit daycare center which accept AFS payments and we are a certified RESPITE provider. Call today and register your child at 332-0608.

## Library Closed For Two Days

Don't forget that the Port Orford Library will be closed on August 4 and 5 for inventory. This means no Story Hour next Saturday.

or 332-1603

The Bureau of Land Management had a booth at the Curry County Fair in the new commercial building. Bureau representatives were passing out copies of a map of Edson Creek Park located at Edson Creek and Sixes River. In May of this year the Coos Bay District of the Bureau received title and management responsibility to the park from Curry County. They have kept the park open this summer and are in the process of developing a long range plan for the park. The Bureau will be holding public meetings this Fall as part of the planning process for the park. If you want to be notified of the public meetings you can contact Tom Sill, Park Ranger/Forester at the Coos Bay District Office by calling 756-0100.

### Little Ole Opry

Little Ole Opry presents Bobby Bowlin, Jr. & His Friends on Friday, August 4th and he will be part of the Best of Opry program at the Little Theater On The Bay on Sat., Aug. 5th. This is a performer to pay attention to.

Awards of recognition include:

- 1993 Alaska Small Fry Champ
- 1994 Alaska Small Fry Runner Up
- 1994 National Small Fry #7 Fiddler

Bobby Bowlin, Jr. is 9 years old and is already a nationally recognized fiddler. He has three years of experience on the fiddle and he has played with "Riders In The Sky" 9 times already. He is booked to play with them once again this fall on November 18th, in Fairbanks, Alaska. This band includes Charlie Daniel's, Tim Watson (Opryland), and Mark O'Connor.

He has just completed recording two records with Dale Morris in Dennison, Texas. Dale Morris was the 1992 National Adult Champion Fiddler, and the Texas State Champion Fiddler five times. In 1979 he was the World Champion

Gold Beach High School**

Fiddler. He has played with Ray Price, Marty Robbins, and Sons of The Pioneer. As you can see this little fella is involved with some of the "Big Time" country guys.

Dale Morris, Jr., Marty Stuart's former fiddler will play a major role in both albums. He will play fiddle, mandolin, lead guitar and bass. The two albums will be titled:

Album #1: Bobby Bowlin, Jr. and His Fiddle: Strictly Old Time Fiddle Tunes.

Album #2: Bobby Bowlin, Jr. and His Friends (On this album the Houghtons sing 1 scapella number and 1 song with the full band.) Vocals and instrumental music by Bobby comprise the rest of the album.

Orders for these tapes will be available during intermission and after the Opry performances. The tapes will be signed by Bobby.

Little Theater On the Bay is located at 2100 Sherman Ave., North Bend, OR. For further info call (503) 756-4336.

## Sheep Dog Trials

It's time for the 3rd annual Sixes River Hotel sheep dog trials and barbeque this Sunday, August 6. The fun takes place from 10:30am until 2:30pm. One and all are invited! The Sixes Hotel is located on the north side of Highway 101 at Sixes River Road.

## Clarity

© 1995 by Marlene Gay

The menu last night featured a pot of "Fresh" Steamer Clams.  
Simmered in garlic, onion and wine they swelled like diaphragms.  
I ate them one after another... discarding shells in a dish;  
Delighted I had chosen "Fresh" clams instead of ordinary fish.  
Several hours passed after my meal when I heard the late night news;  
A "Red Tide" was discovered nearby... it's time to bid my adieus!
