## Get Your Kicks In '96

By Evan Kramer

"Get Your Kicks In '96" is the theme of this year's Curry County Fair and Rodeo. Reminds me of a famous song about an even more famous road. The Fair opens on Thursday, July 25 and runs through Sunday, July 28. The Fairgrounds are located in the heart of Gold Beach on Highway 101 across from the Bookworm Bookstore. This year the Fair will feature many special attractions including the rodeo at 7:00pm on Friday and Saturday nights as well as destruction derby on Sunday afternoon at 3:00pm.

People who have entries for the fair and can't get down to Gold Beach can drop off your entries in Port Orford at the Liquor Store on Monday, July 22 or Tuesday, July 23, at Sea Breeze Florist. Please, no livestock. I talked with Fair Board member Viola Cuatt and she told me she has advance tickets for the rodeo including reserved seating at \$12.00 per ticket. The advance general admission tickets she has for sale include general admission to the rodeo and cost \$5.00. She also has ticket books for the midway rides. Viola told me the rodeo this year features the second largest prize money in the state of Oregon.

## Presenting Tom Paxton

I am pleased to share with everyone news of a big musical event for Port Orford. The Port Orford Arts Council has signed an agreement that will bring folk music legend (he deserves the title) Tom Paxton to Port Orford. He will perform two concerts on Wednesday, October 16, at the Port Orford Community Building. The first concert will be performed during the day for students at Driftwood Elementary School. This will be a free concert sponsored by the Arts Council for the students only. That same evening Paxton will take the stage again to perform for one and all. Tickets for that show will be \$10 for adults and \$8.00 for people under 18.

Tom Paxton has been around a long time and recorded many albums. He began performing in the early 1960's in Greenwich Village. Some of his more famous songs include "The Last Thing on My Mind", "Ramblin' Boy", "Bottle of Wine" and "The Marvelous Toy". He has recorded 33 albums starting with "I'm the Man Who Built the Bridges" in 1962 and including his most current one "Wearing The Time" which was released last year. Paxton is noted for his biting social commentary, wonderful sense of humor and his children's songs. He exemplifies

"family values" and often writes about his family. He is also known to get the audience singing along with his songs.

Tickets will go on sale in September.

## Donaldson For Council

By Evan Kramer

I reported in last week's paper that filing petitions are now available for three positions on the Port Orford City Council as well as the position of mayor. One of those positions is currently held by Ralph Donaldson. There are many of us who feel Ralph is doing an excellent job as councilor and we want him to continue serving on the council. Among other issues which need his quality of concern and work are the city master water plan and its eventual implementation. One way we can help him is to gather signatures to place his name on the ballot. It takes the signatures of 25 registered voters in the City of Port Orford but my goal is to get many more than that. The petitions are available at the Downtown Fun Zone, Bartlett's Restaurant, Port and Starboard Restaurant and the Wheelhouse Restaurant.

Not only will the signatures get Councilor Donaldson's name on the Novem-

### Mt. Bicycle Race Results

On the beautiful morning of July 6<sup>th</sup>, volunteers were out early bustling about their prospective jobs putting together the final touches for the first annual Port Orford Jubilee Mt. Bicycle Race. It was a bit hectic around the registration table signing in last minute entries and pointing people in the proper direction for the starting gate of the many different categories but when the gun went off to signal the race had begun, so did all of the fun. Young and old alike took off with a vengeance with the finish line and pure glory foremost in mind.

The Coastal Riders Mountain Bicycle Club spent many months putting in order, sponsors, trails, prizes, food and accommodations, to assure everyone would have a safe and mildly harrowing trip through hill and dale for all ages to enjoy the back woods area of Port Orford. As the racers started appearing at the

finish line covered in mud and smiles, the volunteers all realized their hard work was well spent and notes were already being made for perfecting next years race. A delicious lunch was served while the touring group rolled in and cash and prizes were distributed amongst the many deserving pedal pushers. All dispersed with huge sighs of relief and satisfaction for a job well done.

## Writing/Reading Workshop

From August 5 through August 15, Driftwood Elementary School is offering it's third annual workshop through the Choices\*(Title 1) program. This year the free literacy program is open to any Port Orford-Langlois students entering 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grades this fall. Older youth may apply to be volunteer student mentors.

Classes will be held in the Choices Enrichment Center at Driftwood Elementary from 9am to noon, Monday through Thursday both weeks. The theme will be "Legends and Folklore" and will involve students in a study of Native American, Hispanic, and other cultural literature. Students will experience selected literature, then write and publish their own fantasy folklore/legends using Macintosh computer programs. Organizer and Driftwood reading teacher, Stephanie Stevens, will team up with Laurie Feldhaus (Title 1 Program Assistant) and adult volunteers to provide this learning experience for students.

Although the workshop is free of charge, one morning of adult volunteerism per student is requested. Parents, guardians,

relatives, friends or neighbors will be accepted to fulfill this obligation. Please let us know your first and second choice of days.

Students will be accepted on a first come-first served basis and enrollment is limited to 15 students. Parents or guardians may phone 332-1042 to reserve a space for their child and need to sign permission forms on or before August 5.

Summer Fun, too!

The morning Summer Fantasy program will be followed by an afternoon arts and recreation program called Summer Fun from 1 - 3pm, Monday through Thursday both weeks. Sponsored by the North Curry Family and Children's Center, this program is available to all Port Orford-Langlois children aged 6-12 years.

Students enrolled in the morning Summer Fantasy program may bring lunch and receive adult supervision from 12 to 1pm if they are registered for the afternoon program also. Call Maureen Wayne at 332-1042 for information on registering your child for Summer Fantasy and/or Summer Fun.

## News from Langlois Library by Tobe Porter, Library Director

The Challenge. . . The Langlois Library Contingency challenges any group or individual to top our entry in the Junk Art Sculpture Contest that will be held during the Port Orford Arts Festival the weekend of August 9.

Our reputation is on the line so all funky junk artists are invited to our Fourth Friday Program on July 26 at 7:00 p.m. to create the winning piece. Bring some good junk and a few tools. We'll provide refreshments and more junk, maybe some tunes to keep the muses happy. All art enthusiasts with a sense of fun are welcome. Keep in mind that the sculpture needs to be stable and safe, it can be a kinetic piece but not electrified and it has to fit through the doors of the Port Orford Community Center. The gauntlet has been thrown, who will pick it up?

Our summer reading program is underway. There is a change in the schedule so please mark your calendar accordingly: July 20—Storytelling; July 27—Basketweaving; August 3—Jewelry Making and August 10—Stain Glass.

### Letter to the Editor,

Battle Rock Park was a popular place during Port Orford's 4<sup>th</sup> of July celebration. Our many visitors seemed to enjoy the activities there.

One reason they were able to enjoy their visit in a safe and pleasant manner is due to the hard work expended in getting Battle Rock Park ready for the guests. Many thanks to Jim Rhoades for his work in repairing picnic tables, digging out the path to the beach and draining the swampy area around one of the tables among other things. We want to thank the City Work Crew provided by Dottie Meyers and also Frank Cramer, who spent a morning helping Jim.

If you haven't noticed the repairs to the drinking fountain at Battle Rock Park, be sure to take a look. The missing rocks have been replaced and the original beauty has been restored. We want to thank Craig Hatch for making the repairs, Bob and Betty Tope for furnishing the materials and Jim Rhoades for locating the rocks to replace the missing ones.

Many residents helped clean up afterwards. Lots and lots of trash and spent fireworks were picked up in the park and hauled up off the beach. Thank you all.

We want all of you to know the Port

### Letter To The Editor

The bed tax review committee completed their final draft of the transient lodging tax ordinance (aka "the bed tax") ordinance and submitted it to the City on June 17, 1996. The City Manager then sent it the City's attorney for review. As of the Council meeting on July 8, the attorney had not completed reviewing the ordinance. So it will be on the Special Council meeting agenda on July 23.

The bed tax review committee was composed of three Chamber of Commerce members, two City Council members and two citizens at large. As I understand it they were in unanimous agreement regarding the changes they proposed for the bed tax. I want to thank all members of the committee for their fine work.

I have asked City staff to see that a copy of the final draft is placed in the library so interested citizens can review it. Sincerely,

Martha Weaver-Britell

By Mary Yoder**

First the rummage volunteers decided to have rummage sales every Friday from 8 to 7:30 - this is in addition to the sales they have at the luncheon.

Birthday party and breakfast - there will be a free one Friday July 19 sometime between 8 and 1:30. Bring a bag or get one at the sale and fill it up. Neat deal - see you there.

July 11 - The volunteers were Marge Kyle, Betty Harper and Kay Neal. June Dennison did the set up. Clare Stalh helped with the dishes.

There July 13 was the luncheon, really good food - chicken, sweet potatoes, potatoes and gravy, two kinds of salad, cake and ice cream - and oh yes home made biscuits by Norma Ellis. We sure have some super cooks. Those who did it were: Norma Ellis, Thelma Lagace, Bobbetta

Kron, Kay Neal, B.J. and Dutch Heinauer, Clare Stalh and Jim Galford. Isn't it great, men doing the dishes?

Then Sunday, July 14 the breakfast - way over 100 people were served. These are the volunteers who made it so special: June Dennison, Lee Hyle, Marge Kyle, Greta Carver, Hazel and Art Klima, Betty Harper, Beth Newkirk, Lucille Tubbs, Bessie Laursen, Clare Stalh and Jim Galford. They all work at different times - not all at once. The center opens at 8 and they serve till 1:30 - long day.

I wanted to tell you about the Nutrition Group. Norma Ellis is the chair person. Helpers are Kay Neal, Beth Newkirk, Betty Harper, Bessie Laursen, Greta Carver, Lorraine Hass, Thelma Lagace, Marge Kyle, B.J. Heinaure. These are the volunteers who plan the menus and see that the luncheons are well balanced - like main dishes - deserts etc. They really do a good job. Don't you think?

Here is something to remember - the August Board meeting will be August 7 instead of August 14 - same time (2pm) - will remind you again next week.

Just got to tell you this - there is a crew doing the new parking lot: Leo Welch, Henery Kron, Jim Galford, Dutch Heinauer, Gil Cummings, and Ray Haner. Just found out - isn't that super - Aren't they wonderful?

## Summer Fun

The North Curry Family and Children's Center will be offering arts and recreation activities at Driftwood Elementary's multi-purpose room for all Port Orford/Langlois children between the ages of 6-12 years. The activities, called "Summer Fun", are scheduled from 1:00-3:00pm, Monday through Thursday (not Friday), beginning August 5 and ending August 15.

A wide variety of activities such as papermaking, fish printing, felt pouch making, clay pottery, beading and rain sticks will be taught daily by local crafters and artisans with assistance from the Port Orford Youth Center. Organized outdoor games and sports will included in the program. Refreshments will be provided daily. Fees for the "Summer Fun" program are \$8.00 per week or \$2.50 a day per child and pre-registration is requested.

Pick up registration forms for "Summer Fun" at Chetco, Port Orford or Langlois Libraries. For more information on registering your child for "Summer Fun" afternoons (or the morning Summer Fantasy workshop\*), call Maureen Wayne at 332-1042 during business hours.

NCFCC is supported by a Families Initiative grant from the Carpenter and Oregon Community Foundations.

\*Summer Fantasy is a writing/reading workshop with limited enrollment (please see related article in this publication). It will take place mornings at Driftwood Elementary in the CHOICES Enrichment Center on the same days as "Summer Fun" afternoons. There is no fee for this workshop and registration is on a first come-first served basis. Call Maureen Wayne at 332-1042 to register your child.

## Zion Lutheran Church

Dr. Oliver K. Olson will lead the worship and preach at Zion Lutheran Church on Sunday, July 21. Dr. Olson, an old friend and seminary classmate of Pastor Lionel Simonson, is in Port Orford for several weeks, following his retirement from his Professorship in Church History at Marquette University in Milwaukee, Wisconsin.

While in Port Orford he will be working on a biography of a 16<sup>th</sup> century leader in the Reformation, Matthias Flacius.

Dr. Olson is also a retired Commander from the U.S. Navy, having served as a chaplain.

The services at Zion Lutheran are at 11am and everyone is invited. Pastor Simonson will be on a brief vacation to Montana, in particular to be with the congregation in Billings he served, 1968-73, which is celebrating its 40<sup>th</sup> Anniversary.

## Community Response Team

The Port Orford Community Response Team (CRT) met on Thursday, July 11th, to formally adopt a Strategic Plan for the Port Orford Area. The plan has been under development by the CRT for the past year. After adopting the plan, the CRT selected a team to begin implementation.

Nancy and Ed Dowdy were elected Co-chairmen, and four positions on the Executive Committee were filled. Joan and Al Geiser were elected to fill the Quality of Life position; Dot Mathews, the Workforce Development position; Martha Weaver-Britell, the Business Development position; and Evan Kramer, the Infrastructure position. Additional positions will be added. The Executive Committee's initial work will focus on organizing, securing legal status, and formalizing relationships with the city of Port Orford and other gov't bodies.

The Dowdy's moved to the Port Orford area in 1995 from Washington, D.C., where they worked in the U.S. Arms Control and Disarmament Agency, the U.S. Department of Energy, and the U.S. Department of State on nuclear arms control and non-proliferation. They were assigned to Geneva, Switzerland, as negotiators of the Strategic Arms Reduction Treaty with the former Soviet Union from 1989 until completion of the negotiations in 1991. Both were educated in nuclear science and engineering and held various university and national laboratory positions in research, program management, and administration prior to their assignments in Washington, D.C.

"We believe this Strategic Plan is a very good guide for actions that improve the lives of people in the Port Orford area. We intend to maintain our focus on the community and the needs and preferences of the citizens in whatever the CRT undertakes. Where the needs and prefer-

## Nickless Resigns

The 2CJ School District board of directors wish to thank those who applied for the opening on the board. The board was impressed with the quality and number of applicants which totaled five. The board selected Don Smith to fill out the one year remaining on the term for position #1. Smith is a former member of the board.

Additional action taken by the board at their regular meeting on Tuesday, July 9, board members accepted the resignation of Michael Nickless as Pacific High School Principal. Nickless has accepted a position as principal at Mollala High School. He was heavily involved with the school to work program which will be featured on a Public Broadcasting System television show this fall. Richard A. Wold, Superintendent, was appointed principal for the 1996-97 school year.

### Common Good by C. W. Qullien

The Common Good does appreciate donations of clothing, furniture, appliances in working order, and other useful items. However, at least once every week we receive large, anonymous donations left at our door at night. Such "Donations" are unwelcome for several reasons: (1) We must spend hard-to-get volunteer labor to separate the useful from the junk and quite often it is mostly junk (2) We have to spend hard-to-get cash to dispose of the junk legally; (3) Usually any cloth-

ing in these unwelcome donations must be washed and mended before it can be used by anyone; (4) Our storage space is severely limited and will not accommodate large items.

The fact that these deliveries to the Common Good are made in the dead of the night leads us to suspect that the donors are using the Common Good as their dump site, which is both unneighborly and illegal.

We request that all materials to be donated to the Common Good be delivered to our location on Wednesdays, when we are open 10 to 12am and 1 to 4pm. If this is not possible, please call John Stockman at 332-8565 or Ray Johnson at 332-6325 and make arrangements for delivery or possible pick-up by the Common Good. But please, no more deliveries left at our door in our absence.
