Jubilee Schedule Now Available By Honeybear Kramer

The Fourth of July Jubilee schedule has been printed and distributed in Port Orford. The theme of this year's Jubilee is "God Bless America."

Most of the Jubilee events take place the weekend of Saturday and Sunday, July 3 and 4. The previous weekend, June 26 and 27 the Jubilee kicks off with a co-ed slow-pitch softball tournament at Buffington Park. For more information call Kathy at 332-2245.

On Friday July 2 you can enjoy a kick-off dance at the Beachcombers Cove. Darrell Newell of Hillsboro will be calling and Dave and Barbara Cooper of Prineville will handle the cueing. There is no charge to spectators. Take my advice if you haven't been out to freshly painted 50 year old country dance hall and seen eight or nine squares doing their square dancing thing you owe it to yourself to come on out. The group is always looking for more dancers and regularly gives lessons.

Drum roll... Saturday July 3 and Sunday July 4 feature enough activities to keep

everyone busy all day both days and into the night on Sunday.

Start the day Saturday with a pancake breakfast at the Beachcombers Cove from 8:00am-11:00am. Then enjoy the Salt-water Open at Battle Rock Park and later on come up to the Lifeboat Station at Port Orford Heads State Park and enjoy the Jerry Can Race at 1:00pm and the Knot Tying Competition at 2:00pm.

On Sunday it's the Port Orford Rotary Club's turn to put out the morning eats when they begin serving their ham and scrambled egg breakfast at 7:00am. The centerpiece of the day is the God Bless America parade beginning at 11:00am at Port Orford City Hall. The parade winds it way down Highway 101 to Battle Rock Park and is always a lot of fun.

This year the Pet Show will be on July 4 for a change and you can participate or watch in the back area at Salsa Rita's. This one is always a crowd pleaser and every pet entrant is a winner. This is where I found Evan three years ago so I won the best prize of all. There will be concession booths at Battle Rock Park and the Port Orford Chamber of Commerce will be selling fireworks at the park. The grand finale of the Jubilee is the fireworks display at Battle Rock Park beginning at dusk. The Port Orford Vol-

unteer Fire Department sets off the fireworks and keeps it safe for one and all.

The Jubilee pins are now on sale at many locations in Port Orford. The pin this year has an American flag on top and three soldiers in uniform under the flag. The Jubilee pins are for sale for \$2.00 each and the Jubilee refrigerator magnets are \$3.00 each. Bolos and key chains are \$3.00. The pins were made by Frank Cramer this year with proceeds from the sale of them going to the giant fireworks show on July 4. Many people have been collecting these pins or buttons for years and here's your chance to add another one or two to your collection.

The Port Orford Arts Council is sponsoring several events on the weekend of the Jubilee starting on July 2 with an evening art stroll of Port Orford Art galleries from 6:00-9:00pm. July 2 and 3 the Arts Council sponsors a Crafters Emporium in the Community Building from noon to 6:00pm on Friday and 10:00am to 4:00pm on Saturday.

The Arts Councils puts on a Community Dance featuring the Pete Lenihan Trio from 8:00am to 11:00pm on Saturday, July 3 and on July 4 a Quilter's Show at the Community Building from 10:00am

DeFazio Dredging Response

The following letter was written to Port manager Gary Anderson by US Representative Peter DeFazio in response to Port's letter requesting help with in dredging funds for the Port of Port Orford.

Dear Mr. Anderson:

Thank you for your message in support of federal funding to dredge Oregon's shallow draft channels and harbors. I appreciate hearing from you and regret the delay in my response.

We are in complete agreement that shallow draft channels are fundamental to the economic viability of the Oregon Coast. Without regular removal of sand and silt, the entrances to these river channels swiftly deteriorate and become dangerous, even impassable, to navigation. Impassable channels leave coastal communities without the commercial shipping, fishing, recreational boating and

even Coast Guard operations that their economic livelihoods depend upon.

Despite the great needs and demonstrated benefits to the economy from dredging shallow draft channels, once again the President's proposed Fiscal Year (FY) 2005 U.S. Army Corps of Engineers Civil Works budget did not include any funding for maintenance dredging at the Port of Siuslaw, the Port of Umpqua, the Port of Bandon, the Port of Port Orford, the Port of Gold Beach, or the Port of Brookings Harbor. As a result, I have requested that the Appropriations Subcommittee on Energy and Water include funding that meets the needs of all six of these Oregon ports in the FY 2005 Energy and Water Appropriations Act.

I have been a vocal opponent of the President's budget for the Corps in the past and will continue to work with my colleagues in Congress to restore the agency's funding for dredging. The main-

tenance of these channels is critical to the economy of the South Coast, and I am deeply concerned that, if implemented, these cuts will have an extremely negative impact on the entire region. These channels are heavily used by recreational boaters and commercial fisherman, which are extremely important sources of jobs and revenue on the South Coast.

Over the past sixteen years, I have consistently and successfully resisted efforts to eliminate or reduce funding for dredging of Oregon's ports. You can be sure I will continue to work with other Members of Congress to ensure the federal government maintains its longstanding commitment and restores funding for the dredging of shallow draft channels and harbors across our nation.

Thanks again for your message. Please keep in touch. Sincerely,

PETER DeFAZIO
Member of Congress

National Day of Mourning

President George W. Bush has declared Friday, June 11, as a National Day of Mourning in honor of President Ronald Reagan who died on Saturday, June 5. Federal offices including the postal service will be closed on Friday as well as the stock markets.

President Reagan's body will lie in state at the Capitol Rotunda from Wednesday through Friday with viewing open to the public. There will be a state funeral service conducted for President Reagan on Friday at the Washington National Cathedral in Washington D.C. at 11:30am eastern time. This will be the first state funeral for an American President since Lyndon Johnson's funeral in January 1973. Later that day the late President's body will be flown back to the Simi Valley where he will be buried that evening in a hillside plot adjacent to the Ronald Reagan Presidential Library.

President Bush ordered the American flag to be flown at half-mast for the 30 days mourning period.

Ronald Reagan served as President from January 1981 to January 1989 and was

the first President since Dwight David Eisenhower to serve two consecutive terms. Before he became President Reagan worked as a radio sportscaster, a movie actor appearing in dozens of films, President of the Screen Actor's Guild, television host and spokesman for General Electric and in November 1966 was elected Governor of California where he served two terms. He challenged President Gerald Ford for the Republican nomination for president at that party's political convention in 1976. He fell short of taking the nomination away from Ford. Reagan served in the United States Army Signal Corps during World War II and was stationed in Culver City, California at the Hal Roach Studios making war-training films.

President Reagan was seriously injured by an assassin's bullet only 70 days into his first term and survived. The attempted assassination by John Hinkley Jr. took place outside the Washington Hilton Hotel and three other men were shot and injured in the attack. Reagan broke the 20-year jinx that had followed American presidents since 1840 and continued through 1860, 1880, 1900, 1920, 1940, and 1960. Every president elected in

those years had either been assassinated or died in office. Later on that year in his first year in office Reagan fired 11,000 striking Air Traffic controllers. He is given credit for the dismantling of the Iron Curtain and the fall of the Soviet Union; events which occurred after Reagan left office during the presidency of the first President Bush.

Ronald Reagan was American's Fortieth President and there is already talk about placing his likeness on either the dime or the ten or twenty dollar bill. Ronald Reagan was a conservative icon who eclipsed all others and will be hard to replace.

Peace March

The residents of Port Orford and some people from out of town held a peaceful peach march in town last Friday afternoon. Most of those participating gathered at Battle Rock Park at 5:00pm before heading up Highway 101 to Nineteenth Street and then back to Battle Rock Park. There were approximately 65 participants including a few children and two dogs in the peace march (some people walked part of the way). People passing in cars and trucks were very supportive of the peace marchers and many gave the peace sign and honked their horns in agreement.

The peace marchers were walking in support of peace and demonstrating for United States to end the war with Iraq. Many carried signs expressing their anti-war feelings and pro peace sentiments. Some even had a sense of humor including one artistic young woman carrying a sign saying, "Poodles for Peace." Other

signs had slogans like "The Whole World Wants Peace", "War is a Form of Terrorism" and "We Bombed our own Planet".

Summer Lunch Program

The Port Orford-Langlois 2CJ School District is offering a Summer Lunch Program at Driftwood Elementary School, Monday through Thursday, June 14 through July 22, from noon to 12:30pm. ance," when the Active Living Expo comes to the Ship Ashore Resort, Saturday, June 12, in Smith River. Health educator Joyce Mathis, a Southwestern Oregon Community College instructor, will lead the class and answer questions beginning at 9:30 a.m. The program uses weighted vests and a series of gentle exercises to help strengthen bone mass and improve balance.

Her class will culminate with complimentary samples of Curry Catering's calcium-rich, Famous Bone-Building Custard.

At 10 a.m., the public is invited to stay around to hear *The Beach Belles-Live at the Ship*, old-fashioned tunes arranged and performed by residents of Shore Pines Assisted Living Community in Wedderburn.

For more information, phone Curry General Hospital at (541) 247-3187 or 1-800-445-8085, ext. 187.

Garden Of Love Quilt

Members of the Brookings Quilt Guild unveiled their Garden of Love breast cancer awareness quilt during the annual Azalea Festival quilt show, Sunday, May 29, in the Kalmiopsis Primary School, Brookings. The quilt is comprised of colorful blocks of hearts and flowers created by Curry and Del Norte county members wishing to honor friends and loved ones who have survived breast cancer or who have died of the disease.

Shelley Knapp, guild president, chaired the quilt project. She presented the quilt to Ginny Hochberg, R.N., chief executive officer of Curry General Hospital,

and Frances Guthridge, FNP, a family nurse practitioner with The Brookings Clinic. "It is our simple hope that while you view this quilt, you will realize how many people have been affected by breast cancer and will take the necessary steps that will allow early detection and a possible cure for breast cancer," Knapp said.

Guild members who designed and submitted blocks include Knapp, Karen Wells, Suze Williamson, Marge Lewis, Shirley Morey, Vi Fleming, Barbara Perreault, Nanette McDoniels, Bev Rose, Mary Lou Frenzel, Polly Blank, Doris Cunningham, Joanna Yax, Midge Vaughn and Cindy Golding.

Letter to the Editor,

I was really pleased at the turn out at the Rural Conservation and Developments Wind Energy Fair. Our staff Amy Wilsson did a great job of recruiting speakers from around the region.

I did want to clarify that as a County Commissioner I will be involved in making decisions if any such technology moves forward through our land use process. In that role I am bound by law not to have contact with anyone regarding specific information that could influence my decision-making ability. That was why we tried to stay broad in nature regarding the information. The last speaker, Ann Vileisis began speaking about local bird populations, which I thought may be too specific. By law, we are supposed to announce that we are leaving and depart so as not to be influenced in our decision. I did check with Judge McArthur who was there and who is familiar with that law. He agreed. My apologies if anyone did not understand my announcement and leaving but I am bound by law. I look forward to hearing what all sides have to say including Ann if this issue does come forward.

Sincerely,

Lucie La Bonte
Commissioner

Humbug Mountain State Park would like to invite the public to attend our **free** campground programs and events. There will be programs held **each Saturday in June and all seven days in July and August**. Experience nature walks, evenings with special speakers, Junior Ranger programs, and hands-on activities that are fun for the whole family.

In this paper is a list of highlighted special speakers for the summer, and a flyer will be posted at the campground indicating the speakers and other interpretive programs, and will be located at either a campsite or the amphitheater.

If you have any questions, please feel free to call Heather or Debbie at (541) 332-6774 ext. 3.

We look forward to seeing you there!

Busman's Holiday By Tobe Porter, Library Director

I recently visited a friend who lives outside Washington, D.C. While there, I spent a day at the Georgetown University Library pouring over the 2004-05 edition of the *Big Book of Library Grant Money*.

Working in the reference section of that library I remembered why I love libraries. I enjoy the smell of all those thousands of clean pages and the quiet, interrupted only by the sounds of pages turning, pen on paper, and now—of course—the tap, tap, tap of laptop computers. Despite taking notes for almost 6 hours,

I left with a jaunty step, a smile on my face, and lots of “hot” leads for new library construction.

Our library may not be as quiet as the one in Georgetown, but we do have a number of interesting reference books that will keep you busy for more than six hours. Come spend the day with: *Atlas of Oregon Wildlife*, *The Oxford Companion to World War II*, *Sports: the Complete Visual Reference*, *Leonard Maltin's 2004 Movie & Video Guide*, *The American Rose Society Encyclopedia of Roses*, *The United States Government Manual*, or *The New Harvard Guide to Women's Health*. We'll try to keep the noise down.

Letter to the Editor,

CCEC/SCSC Closed Door Issues:

1. The Coos Curry Electric Board, May 28th, approved a new policy to charge Owner/Members for any copies that they request. The charge would include paper/labor costs. (Perhaps cheaper to burn a CD.)

In some ways, this is a good idea as CCEC is deeply in debt, \$29.5 Million, and borrowing \$\$\$ to keep it going. It's a small stop-gap measure to save \$\$\$. In other ways, this would make it more difficult for OWNER/members to access information about their company. Perhaps, instead of the Board approving \$2,500 to help restructure the track at Brookings/Harbor High School (3-26-04), they could use that money to pave the way for Owner/Members to have active involvement and knowledge of their company a "cooperative".

Everything we do,

2. April meeting, Owner/members asked to be able to see the packet of information being discussed in the "open" portion of the meeting. No Board decision. May meeting: No packet and no mention of the suggestion for a Power Point presentation.

3. South Coast Satellite, still doing business, has been taken off the CCEC agenda for the last 3 months.

Too much secrecy prevents checks and balances on Board decisions. We all need to read the NRECA Business Audit, which identifies checks and balances as a major need, and work to help the Board communicate this in open meetings. Let's

work together.

Don't forget to hand carry your ballots to Coos Curry Electric by Friday, June 11 so it will be counted.

Free Fishing Weekend

Elk River Fish Hatchery will host the 9th annual Free Fishing Weekend event this Saturday and Sunday, June 12 and 13. Each fishing day will begin at about 8:00am. Young anglers will be allowed to fish for rainbow trout in a special hatchery pond that is stocked with 800 legal size fish (8-12 inches) and 300 whoppers that will weigh from 4-9 pounds each. The hatchery will provide rods, reels, bait and tackle for the kids to fish with. The bag limit is the first three fish caught. There will be no "catch and release", so please bring a large plastic bag to carry your catch home.

Langlois Library News

Unfortunately, the Langlois Library has been the source of ill intentions yet again. We believe that the individual(s) who burgled the library a few weeks ago also took a set of keys. They recently came into the library and compromised our server computer. It has cost us much time, effort, and money to fix the problems that have arisen as a result of this. Although we regret having to do so, we have installed a security system to ensure that the library is not burgled again and that any potential perpetrators may be caught.

Moving on to more cheerful topics, this Friday marks the first installment of the Langlois Library Film Festival. Come join us on Friday, June 11, at 7.00pm and watch the independent film, "Memento," a psychological thriller that will engage and excite you. In the words of Ali Davis, film reviewer for Amazon.com, "Memento has an intriguing structure and even meditations on the nature of perception and meaning of life if you go looking for them, but it also functions just as well as a completely absorbing thriller. It's rare to find a movie this

exciting with so much intelligence behind it." Feel free to bring comfortable chairs and pillows!

And for all you children and children at heart out there, stay tuned for the next installment in the film festival, My Neighbor Totoro by the acclaimed Japanese director Hayao Miyazaki. This is the whimsical tale of two young girls who discover a world of forest spirits in their new home. This film will touch the hearts of children and adults alike. Come join us on Saturday, June 26, 4.30pm.

Totoros aren't the only things you'll find in forests. You'll probably also find a few bugs. And in celebration of this oft-maligned group of animals, we'll be reading a few insect tales at Buglicious Snuggly Tales on Thursday, June 17, 6.30pm. These stories of our squishy, buzzing little friends are guaranteed to entertain the bugs in your life.

Last but not least, the Langlois Public Library Foundation is seeking vendors, entertainers, and entrepreneurs of all kinds for a peddler's fair to be held on September 4. Anything is fair game, whether you want to sell rummage, crafts, or produce, perhaps provide a service such as massage or fortunetelling, or even have an information booth. Tables are \$10 apiece. Please call the Library at 348-2066 to reserve tables or for information on any of the above-mentioned programs.

Committee Openings

There are two openings on the Transient Lodging Tax Committee. Applicants may submit a letter or e-mail to City Hall expressing interest. This is an opportunity to aid your community and help fund the beautification and tourism groups that apply for city grants.

Letters should be mailed or brought to City Hall, PO Box 310, 555 W 20th, Port Orford, OR 97465, ATTN: Mayor Doran, or e-mailed to portorfordcityh@harborside.com.
